

## **Spray Technician**

Clarksburg, Maryland

BrightView Landscape Services

Looking for an opportunity where success comes naturally? Then you may have found your crew. We're looking for a Spray Technician to join our team.

### **Here's what you'd do:**

We're currently seeking a Spray Technician with chemical fertilization or pesticide industry experience to work with our commercial customers. The ideal applicant will be a self starter and have a stable work history.

### **You might be a good fit if you have:**

- Minimum 1 year experience with chemical or spray applications

### **And while not mandatory, it would be great if you also have:**

- Ability to manage projects according to contract and budget
- Customer service experience
- Strong attention to detail
- Able to operate efficiently and safely at all times
- Pesticide applicators license or in process
- Bilingual (Spanish)

### **Here's what to know about working here:**

At BrightView, we're a tight-knit crew who are as passionate about caring for our clients as we are about each other. Though we're the nation's leading landscape company, we maintain a small company feel and supportive environment that makes our team members feel at home.

If you're looking to join a crew of talented go-getters who tackle big vision projects other companies could only dream of, you might just have found your match. With our range of services, including landscape design, development, maintenance and enhancements, there's no limit to what we can do, and what you can achieve.

In addition to industry-leading development opportunities, you'll also have benefits and perks like:

- Competitive salary
- Paid time off
- Medical, dental, and vision insurance

**Think you've found your crew?**
