

# Montgomery College Foundation Transitional Living Scholarships

Montgomery College Foundation proudly offers a scholarship for students who are parents or guardians and live in the same household with their dependent children; and/or parents who are currently experiencing housing insecurity or have been in transition within the past two years.

The Transitional Living Scholarship was created to transform lives and help students with demonstrated financial need to obtain a certification for immediate employment.

## What does the scholarship offer?

- Tuition and college fees
- Education materials, books, and resources
- Equipment, uniforms, and other class-related requirements
- Licenses and exam fees
- Life needs beyond tuition

## Who qualifies?

Scholarships are provided to students who meet the following criteria:

- Students with demonstrated financial need as verified by the Montgomery College Foundation
- Students who are parents or guardians, and live in the same household with their dependent children
- Students who are living in transition, i.e. currently homeless or have been homeless in the past two years
