

Build Your Skills & Open New Career Pathways

CareerCircle has teamed up with IBM SkillsBuild to bring you free access to over 1,000 online courses in today's most in-demand areas — from AI and Cybersecurity to Data Analytics, IT, Leadership, and Project Management.

Why jump in?

- Learn skills that employers are looking for right now
- Earn digital badges and credentials from IBM to showcase your growth
- Train at your own pace — whether you have 10 minutes or a few hours
- Get a head start on opportunities before they're posted broadly

What you'll also get with CareerCircle

When you create a free CareerCircle profile, you'll unlock much more than just courses:

- Access to **40,000+ job opportunities** across the country
- Career tools like **resume help, interview prep, and skills assessments**
- Get your profile in front of **Fortune 500 companies**

How to get started

- STEP 1** Visit our [Courses page here](#) to browse the recommended SkillsBuild programs. **Once you click on a course, click the blue “Enroll Now” button.**
- STEP 2** Log in to your CareerCircle account. If you don't have an account, click “Sign Up” to create your free account.
- STEP 3** If you created an account, be sure to verify your email and follow the steps to be redirected back to your selected course.
- STEP 4** Once you've logged in, click the blue “Enroll Now” button again to set up your IBM SkillsBuild login and start learning!

This is your chance to build skills, boost your confidence, and move closer to the career you're working toward — at no cost to you.
