

BREATHE EASIER

Get screened for lung cancer at no cost.

Early detection matters. Lung cancer that's detected at an earlier stage is more likely to respond to treatment. Meaning less invasive therapies and better outcomes for you. Holy Cross Health Cancer Center is offering a free lung cancer screening event for community members who qualify.

ARE YOU ELIGIBLE?

You may qualify for lung cancer screening if you:

- Are 50 – 80 years old
- Current smoker or quit in the past 15 years
- Smoked a pack a day for 20 years or more

SCREENING DETAILS

Thursday, Nov. 12 • 3 – 7 p.m.
